- PSE Sales and Services employees know everything about USPS® products and services. Customer service and a great attitude are helpful for this job as these are often the employees who sort mail or serve as the employees at the window.

PSE Mail Processing Clerks

- PSE Mail Processing Clerks work in a fast-paced environment at all times. They sort mail by hand or machine and work mostly at night. Millions of mailpieces are processed on a daily basis, so this job is good for someone who likes to stay busy.
