USPS® CORPORATE SIGNATURE LOGO HORIZONTAL FORMAT — SMALL AND LARGE USE COMPARISON

The USPS Corporate Signature logos have been specially created to meet all reproduction specifications. Don't alter the logos in any way when reproducing them.

SMALL USE:

Extra spacing around the Eagle Symbol beak

The SMALL USE has been enlarged for illustrative purposes.

Extra spacing around the letters and rule

The SMALL USE Corporate Signature logo was designed with extra spacing around the Eagle Symbol beak, letters and rule. When the SMALL USE Corporate Signature logo is reproduced between 7/32 and 3/8 inch high, the extra spacing minimizes the amount of filling in during reproduction.

LARGE USE:

Minimum spacing around the Eagle Symbol beak

Minimum spacing around the letters and rule

The LARGE USE Corporate Signature logo was designed with minimum spacing around the Eagle Symbol beak, letters and rule. The LARGE USE is used when reproducing the logo larger than 3/8 inch high.

APPROVAL REQUIREMENTS: Approval is required from the manager, Brand and Policy for any application of the USPS Corporate Signature logo. To expedite the approval process, email a preliminary layout — not to exceed 10 megabytes. **Email to:** policyne@usps.gov
